

Volunteer role description

Cat Sponsorship volunteer

Cats Protection is the UK's leading feline welfare charity and our vision is a world where every cat is treated with kindness and an understanding of its needs.

Cats are at the centre of everything we do and our objectives are: homing, neutering and educating people about cats and their care.

We help thousands of cats across the UK each year thanks to our network of dedicated volunteers, employees and supporters.

A bit about this role

Our volunteers help collect fun and informative pictures, videos and information about the cats and kittens in our sponsored pens.

Cats Protection helps around 200,000 cats and kittens every year and we just couldn't do this without our supporters who raise over an amazing £4 million a year for the kitty! By volunteering in this rewarding role you will not only get to spend time directly with cats and kittens, you will help connect our supporters with the great work we do and more importantly update them on our amazing sponsor felines!

What can you expect to be doing?

- Taking photos and videos of the cat/s or kittens in the sponsor pen
- Gathering information and case studies about the cat/s or kittens in the sponsor pen

- Sending content and liaising with the Direct Marketing team who will send the information to cat pen sponsors or use in national fundraising campaigns to help raise funds
- Making sure sponsorship materials (leaflets, signs, posters) are stocked and replaced at the centres when needed
- Free text as bullet points

What are the benefits to you and the cats?

You will develop new skills, expand your knowledge and make a meaningful contribution to improving the lives of cats and kittens by helping keep sponsors up to date about the cats in the pens they sponsor. You will also meet new people, make new friends and be part of a dedicated team of volunteers. You will be supplied with a camera and footage collection training unless you would prefer to use your own equipment.

We're looking for someone with

- Excellent communication skills
- Willingness to be part of a team
- A passion for people and animals
- Experience of photography would be beneficial but isn't essential

Time expectation

Our volunteers usually spend around two to three hours per week in this role, which is flexible and can be shared by more than one volunteer if needed.

Support, guidance and keeping you safe

At Cats Protection we believe our volunteers should be happy and confident in their roles. We provide support and guidance from our National Cat Centre and through our regional and local volunteer groups and teams. We offer engaging online and face-to-face training, expenses and have policies and processes to help volunteers get the most out of their time with us.

The wellbeing of our people is important and at Cats Protection we are committed to safeguarding children, adults at risk and all those that we come into contact with as part of our activities.

Thank you for joining us and sharing in this commitment and for everything you will do during your time with Cats Protection.
